

Kindergarten Summer Reading 2025

Asalamu Alakum Wa Rahmat Allah Wa Barakatu !

I would like to welcome both you and your child into my class this upcoming year. I am eagerly waiting to meet you all. I have suggested a reading list below for this summer that you can read to your child. Studies have shown that reading 20 minutes a day outside of school will increase vocabulary, reading, and comprehension skills , as well as inforce the love for reading. To keep the excitement and momentum of learning throughout the summer, encourage your child to open the pages of an endless imaginary world of reading. Enjoy your Summer and see you all in September!
