Dear Parents,

Summer is here! School is out, but let's not forget all the reading we did throughout the past school year! Summer reading is a great activity that prepares students for the upcoming school year. It is proven that when students read over the summer, they are well prepared and do better in school in the fall. Therefore, I have prepared a list of summer reading for you and your child to choose from. Please take turns reading to your child and having your child read to you as you explore this list. I look forward to meeting you and hearing about what books you discovered over summer break!

Have a wonderful summer!
