

4th Grade Summer Reading

The summer is finally here! Congratulations you are now on your way to become an official 4th grader!

I want to make sure your precious brains keep learning and developing during your summer break so I have assigned a very fun summer reading for you.

Book Title: Save Me a Seat

Author: Sarah Weeks

This book is about two boys who build a friendship after they realize they both have the same enemy, the biggest bully in their class. This is a great book teaching us about standing together, making new friends, and accepting one another's differences.

I am only requiring you to **read the above-mentioned book and complete a report** for it, but here is a bucket list of books that I'm sure you will enjoy!

Sr. Tamam's 4th Grade Bucket Books List:

- **The Lemonade War by Jacqueline Davies**
- **Other Words for Home: by Jasmine Warga**

Also make sure to log into your IXL accounts during the summer and check for any starred skills to work on to keep your brain growing!

(5 READING SKILLS AND 5 LANGUAGE SKILLS)

Enjoy your break and see you in September!
