

Kindergarten Summer Reading

Asalamu Alakum Wa Rahmat Allah Wa Barakatu !

I would like to welcome both you and your child into my class this upcoming year. I am eagerly waiting to meet you all. I have heard so much wonderful feedback from Sr. Susan, which makes my excitement that much greater. I have suggested a reading list below for this summer that you can read to your child. Studies have shown that reading 20 minutes a day outside of school will increase vocabulary, reading, and comprehension skills, as well as enforce the love for reading. To keep the excitement and momentum of learning throughout the summer, encourage your child to open the pages of an endless imaginary world of reading. Can't wait to see you all this September!
